# ★ ABOUT THE HOST CHARITY ★

Fun is our cornerstone and philanthropy is our keystone to fellowship. Brotherhood, family, compassion and service to others are in our foundation.

Shriners are known for our compassion for others and for being active participants in local communities.

**Kena Shriners** supports the “world’s greatest philanthropy” - Shriners Children’s Hospital.

Funds from this event will help Kena continue to be an active participant in our community by hosting more events and taking part in more parades so that we can continue our outreach for the hospital.

For more information visit [www.kena.org](http://www.kena.org)
